## Product Brochure

### **NPR-DDM (Dual Dish Mount)**

**NPR-DDM**

#### ***Universal Non-Penetrating Roof Mount***

**MSRP \$39.95**

***For Hughes Net & Star Band single mounts  
& Direct TV & Dish Network dual mounts***

This Heavy Duty 1/8" steel Non-penetrating Roof Mount allows you to install up to two dish antennas. Use on flat roofs where no holes can be drilled. 24" X 39" welded frame, powder coated, will accept Hughes Net, Star Band, Direct TV & Dish Network. Standard J mounts required. UPS shipping available, 4 units per case. Weight 15 pounds each. Can mount 2 dish antennas on this mount. We suggest six 8" X 8" X 16" concrete blocks to anchor mounting bracket. (Blocks mounting hardware not included)
