## Tower Mount TM-1

- Makes tower installs a snap
- Steel reinforced plates
- Will fit Rohn 20 & 25
- Shipping Weight 7 lbs.
- U-Bolts & Gator Clamps Included

The TM-1 is designed to U-Bolt to Rohn 20 or 25 tower. Mounts DishNetwork, DirecTV SuperDish, WildBlue, antennas and more.

We have left mast selection up to you.

TMM-1 1 5/8" or TMM-2 2", Sold Separately.

Call for details.....

**Install:** Use the four U-Bolts & Gator Clamps provided to mount plate to two of the legs of the tower. Gator Tooth Clamps are used with the TM-1 to prevent spinning.

The TM-1 is powder coated for a lasting finish. U-Bolts & Gator Clamps included with purchase.

**Please tell our Representative, mast size when purchasing TMM Mast Kits.  
Also ask about our Stand-Off Tower Mount, the TM-36 with a 36" tall mast.**
